## TENTH SUNDAY IN ORDINARY TIME

Saint Paul begins today's second reading by stating that he was "called" to proclaim the Gospel of Jesus Christ. As baptized Catholics who have an opportunity to share in Christ's life through the Eucharist regularly, we too are called to proclaim the teachings of Christ. We are stewards of Christ's Gospel. But how are we responding to that call? Do we listen for the guidance of the Holy Spirit? Do we evade, dodge or ignore the Lord's call? Do we attempt to proclaim the Gospel in a spirit of compassion and love? Reflect on how you exercise stewardship over the Gospel.

## THANK YOU

St. Elizabeth Memorial Post 545, the American Legion, and its Auxiliary Unit 545 wish to thank everyone who attended the memorial services at St. Lawrence Cemetery and who accepted a poppy from the Auxiliary members. Meeting the continuing needs of our veterans should be the concern of every American who values his or her freedom. The Auxiliary promotes the poppy as a symbol of the sacrifices our military have made, a symbol to open people's hearts and inspire them to donate. Donations of \$376.44 were collected. Thank you to all who donated.

---

---

## WHY ARE MASS INTENTIONS SCHEDULED?

The practice of requesting a Mass to be offered for loved ones, living or deceased, is a beautiful and wonderful part of our Catholic tradition. If you would like to schedule a Mass for someone, please pick up a Mass Intention envelope in the foyer of church, and include a \$5 stipend per Mass request. Please do not request more than 5 Mass intentions at one time. Mass requests will be granted as close to the requested date as possible. If it is not possible to comply with the primary request, *the next closest date and time will be scheduled*. If no particular date is requested, the Mass will be scheduled as soon as an opening is available. If you have any questions, please contact the parish office.

## DIOCESAN PLANNING PROCESS

Many of you may recall your participation in a diocesan planning process under the direction of the Chancery staff during 2009-10. At that time, Sister Kathleen Wegman, SSND, Chancellor of the Diocese and Ron Vessel, Associate to the Chancellor undertook extensive research within the Local Church to determine the challenges and opportunities facing our Diocese at that time. Using the breadth and depth of that research, they developed four priorities and multiple strategies to address the pastoral areas that emerged during this research phase. In this week's edition of *The Catholic Missourian* you will find a pastoral letter from me regarding the Pastoral Plan 2010, "Christ's Call ... Our Response." The original plan (2010 - 2015) called for an evaluation of the plan in 2015. My letter outlines briefly the development of the pastoral plan, the evaluation process and how we intend to move forward with future planning.

Elsewhere in *The Catholic Missourian* you will find a more detailed analysis of the planning process in an article titled "Accountability Report and Next Steps, June 2016." I encourage you to take time to read and reflect on the contents of that report and the direction it sets for our immediate future. I count on your personal prayer and participation in parish life in such a way that our response *anew* to Christ's call truly will give further direction and meaning to our lives. Bishop John R. Gaydos
