The Immaculate Heart of the Blessed Virgin Mary

The Immaculate Heart of Mary signifies, first of all, the great purity and love of the heart of the Blessed Virgin Mary for God. This purity is manifested in her "Yes" to the Father at the Incarnation, Her love for, and cooperation with, the Incarnate Son in His redemptive mission, and her docility to the Holy Spirit, enabling her to remain free of the stain of personal sin throughout her life. Mary's Immaculate Heart, therefore, points us to her profound interior life, where she experienced both joys and sorrows, yet remained faithful, as we, too, are called to do.

St. Lawrence The acoustic atmosphere of a Gothic style church is an important part of the cultural heritage. Our church was built prior to the use of a sound system, and was designed to carry the sound throughout the church. The high ceilings, the plaster walls, and the columns all affect how the sound carries. After many professional evaluations of the St. Lawrence Church sound system, it has been determined that only option we have to improve the acoustics in the church would require installing acoustic panels throughout the church. The councils feel that adding acoustic panels would take away from the beauty of our church, so it has been decided not to add them at this time.

Please note that the sound is much clearer in the front of the church, so if the sound is an issue for you, please consider sitting toward the front of the church.

St. Lawrence Coffee and donuts following First Friday Mass.

If anyone would like to give Father Nimwesiga a card or monetary donation, you may place it in the collection in an envelope marked "Father Nimwesiga". We appreciate his time with us.

If anyone would like to send a card to Walter and Linda Wieberg, please send it to their home address of 518 Humphrey Creek Road, Iberia MO 65486.
