Sunday, February 12, 2023 – Sixth Sunday in Ordinary Time

The reading from Sirach sets the scene for all of today's readings. Sirach offers practical wisdom on how to live according to God's instructions. The writer reminds us God has gifted us with the power to choose freely: "Before man, are life and death, good and evil, whichever he chooses shall be given him." To choose life in Christ means to pay attention not only to one's actions but, more important, to their roots within our inner being, to the emotions within us. Life in Christ implies our whole being needs transformation, starting within our very depths.
