**Sunday, June 9, 2024 – The Immaculate Heart of Virgin Mary:** The Church teaches Mary’s heart is “immaculate” because she was conceived free from the stain of original sin. We believe that, of all the people who have ever lived, Mary remains the only human ever to have loved Jesus perfectly. But her immaculate, perfectly loving heart didn’t protect Mary from the messiness of life. Mary, like most mothers, had to deal with the same kinds of mishaps and problems that mothers face. If you have ever lost track of one of your children, you can relate to the great anxiety Mary felt. Here’s another way you can relate to Mary; her search for the missing Jesus can mirror your own search for him. Every time you pray, receive Christ in the Eucharist, or try to discern His will, you are undertaking that search. And experience tells you, you don’t always end up finding Him right away. So, be like Mary and keep seeking Jesus, no matter how messy life gets!

*“Holy Mary, be with me through the ups and downs of life. Through the Blessed Mother, to Jesus!”*

## Ordinary Time – What is it?

Christmas Time and Easter Time highlight the central mysteries of the Paschal Mystery, namely, The Incarnation, Death on The Cross, The Resurrection, and Ascension of Jesus Christ, and The Descent of the Holy Spirit at Pentecost. The Sundays and weeks of Ordinary Time, on the other hand, take us through The Life of Christ. This is the time of conversion. This is living the life of Christ. Ordinary Time is a time for growth and maturation, a time in which the mystery of Christ is called to penetrate ever more deeply into history until all things are finally caught up in Christ. The goal, toward which all of history is directed, is represented by the final Sunday in Ordinary Time, the Solemnity of Our Lord Jesus Christ, King of the Universe.
